June 19, 1962

On Saturday night, June 16, 1962, at 8:45 p.m. a meeting was held in Room F, La Salle Hotel, La Salle and Madison Streets, Chicago, Illinois. This had been advertised as a meeting of the National States Rights Party. MAX NELSEN was in charge and in his opening remarks stated that the meeting had been called by himself as Illinois representative of the NSRP but that it was a meeting of the Institute for Biopolitics.

Approximately 55 people attended the meeting, including the following:

CG 105-4630

MAX NELSEN
GEORGE LINCOLN ROCKWELL

MATT KOEHL

MAX NELSEN gave a 45 minute introductory talk in which he stated that the Institute of Biopolitics is an organization established to help prevent racial suicide by the white race -- to help the white race to continue to exist without being swallowed up by the black masses. His purpose in calling this meeting was to explain this and acquaint the people with the situation today. He stated that among the right the NSRP is the vote-getting branch and that the ANP is the action group. He said he personally is a member of the Institute of Biopolitics, and the Illinois representative of the NSRP but is not a member of the ANP. While the NSRP and the ANP have no official connection, they are connected in that both believe in separation of the Negro and the white. He stated that GEORGE LINCOLN ROCKWELL, ANP Commander, was present on this occasion at his invitation as guest speaker. He also gave a plug for the Vinland Book Store, 3124 North Damen Avenue, Chicago, operated by the ANP and stated he would appreciate it if people present would patronize that book store. He then introduced GEORGE LINCOLN ROCKWELL.

CG 105-4630

ROCKWELL then explainted what he and the ANP stand for. He stated that while he is against Jews generally, he is not against the Jew just because he is a Jew but rather he is against traitors and he estimates that about 80% of the Jews in this country are traitors. He stated that Communists are traitors and that Communism is Jewish, starting back with KARL MARX. He stated that he has adopted the swastika as a shock symbol -- that it is a symbol of the white struggle for survival. He said that it is a Jewish lie that HITLER committed all the atrocities attributed to him but that "we are going to do some of those things attributed to HITLER which he didn't get done."

ROCKWELL's remarks were very well received and the meeting closed with a "Sig Heil" between ROCKWELL and the audience.

During the evening a collection was taken up announced by NELSEN as for the purpose of helping to defray expenses of the Vinland Book Store. The collection proceeds went to MATT KOEHL. The admission charge to the meeting was \$1.00.

He pointed out that growth and progress has been slow but sure and stated he is pleased so far. He stated that it was booked at the hotel as a meeting of the Institute of Biopolitics and would be held at 8:30 p.m. He asked that all who could to make a point of attending as observers.

KOEHL then announced that the practice of having members of the ANP meet in separate groups on different nights was being discontinued and that beginning with the next Friday all members would again meet in a general meeting. He explained that he thought this made for better meetings. He stated that on Friday, June 15, 1962, the evening would be spent mainly in showing some documentary films for the purpose of sparking interest.

CG 157-3

[redacted] After the meeting concluded it was observed that [redacted] paid KOEHL \$10.00 for the next stag dinner and \$5.00 for ANP dues and that [redacted] paid KOEHL \$5.00 toward the ANP initiation fee.
